Re: Toltec (Line Siting Cases No. L-00000Y-01-0112 and -0113) and
Bowie (Line Siting Case No. L-00000Y-01-0118)

Dear Mr. Robertson:

This is a follow up letter to your April 18, 2002 response to my inquiry related to disclosure of expert witness financial interests in the above siting matters. Although your response addressed Mr. Wray's testimony and the ownership structures of certain of the involved parties referred to in my initial inquiry to you, you seemed to have missed significant points of concern that led to my April 10, 2002 letter.

Other than Mr. Wray's testimony, I continue to seek specific information about disclosure of interests in these matters. I am particularly interested in when and how disclosure of any actual and potential financial interests in the outcome of the above proceedings (excluding fees for professional services) of applicants' expert witnesses and other representatives, including yourself, was disclosed to the other parties (Staff and Intervenor) and the Siting Committee. I am also interested in the names of individual members in the various "power groups" referred to in our correspondence. Please respond within ten days and file your response in the relevant dockets. Thank you for your anticipated cooperation in providing the information requested.

Sincerely,

William A. Mundell
